Thereafter, on November 20, 2024, the Court instructed the parties to submit a proposed order of compromise and dismissal or a stipulation of dismissal on or before December 20, 2024. (Docket Entry 137). The parties respectfully move the Court to enlarge this deadline by twenty-one (21) days to January 10, 2025. The intervening holidays will make finalizing documentation slower than it ordinarily otherwise
